Subject: PGE outreach today in San Carlos

Brian and Terrie

PG&E staff will be out in the L147 area today to complete the centerline survey and answer questions. See message below to the city.
Just want you to be aware in case you get inquiries.

Hi Jeff,

Hope you are well.

As you know, we have been surveying our lines over the past several weeks. We plan to have a presence with survey crews in the area (map attached), no work, just survey equipment along Brittan Ave up towards Crestview Ave.

Since there has been attention on L 147, we felt we should have our customer care teams out in the neighborhood available to answer questions along Brittan Ave.

We are going to be in the area going door to door with information (attached) and ready to answer questions from our customers today about L 147 and the survey work. We will have presence this afternoon until from 1pm-4pm.

We will be notifying Sheriff's office as we are sensitive to the imposters that have posed as PG&E employees. Each of our employees are badged employees, in pairs and appropriate protective gear to ensure their safety.

Please feel free to contact me on cell with any questions.

Thank you,
Papia
