Randy,

Thank you so much for organizing. Great game ideas! My sign up below.

Reg Relations Team,

As you already heard, Reg Affairs will be hosting a Campaign for the Community CARNIVAL next Wednesday, October 9th. As part of our teams' commitment to the event, we will be hosting two games: 1) a Coat Rack Hat Toss; and 2) Wii 3-points basketball contest (descriptions below). We need **volunteers** to help decorate the game area and to staff the game during the hours that the carnival is open. People who staff the games will be responsible for collecting tickets, explaining the game, "barking", and giving a star sticker out if a person is a winner. We will need "all hands on deck" to make this Carnival a success.

Please sign up for to help with the event by hitting "reply all" and putting your name in one or more of the cells below. (Sorry about creating more emails ☺).

The Carnival will also have a contest among the games for the Most Creative, Best Theme, and Most Tickets Collected! Hopefully, we can also win one of these categories!

During the day of the event, game tickets will be \$1.00 each or 12 for \$10.00. You may also purchase our “Early Bird Special” which is 25 tickets for \$20. See Stephanie or me if you would like to get the Early Bird Special.

CARNIVAL GAME DESCRIPTION:

Coat Rack Hat Toss

A pole-style coat rack will be transformed into a scarecrow and the object of the game is to toss a hat onto the head of the scarecrow (the hooks of the coat rack). Each contestant will have 3 tries to get one hat to stay on the rack, and thereby earning a star.

Wii 3-points Basketball Contest

This game will incorporate the Wii Resort 3-Points Basketball Game that will be projected onto a wall. The object of the game is to shoot 5 racks of basketballs, with 5 balls each, into the hoop as you work your way around the 3-Point circle in less than 1 minute using the Wii controller. Contestants will win a star if they are able to get 5 ball into the hoop. Top scores will be posted on the wall.

If you have any questions, please stop by and see me.

Randy
