Subject: Next steps, NDE plan forward

Liza,

Laura let me know that you'd like to start the NDE quality improvement team this Friday. Can you let me know what time(s) work best for you? Also, please let me know if you'd like this as a conference call, or in person at your office.

I will have information about the expertise/support that Redacted
Redacted can provide, as well as other technical experts, in helping to develop the comprehensive plan. Hopefully, I will have our PG&E lead person named by then also.

Thanks

Jane
