Hi, I will set for 1:00 at your office. Will send a calendar notice shortly to all on the cc list. I hope to have our lead person there --- but if he is not able, I think I can represent him for this initial meeting.

Thanks

Jane

Jane,

Thank you! The best time would be right after lunch and in-person would be great. I know you are all busy though, so if you want to do this as a call that's fine also. I'm copying the other SED people who should be invited to attend as well. Liza

Liza,

Laura let me know that you'd like to start the NDE quality improvement team this Friday. Can you let me know what time(s) work best for you? Also, please let me know if you'd like this as a conference call, or in person at your office.

I will have information about the expertise/support that Lawrence Livermore National Laboratory can provide, as well as other technical experts, in helping to develop the comprehensive plan. Hopefully, I will have our PG&E lead person named by then also.

Thanks

Jane
