The application number for the 2011-2014 Gas Transmission and Storage (GT&S) rate case was A.09-09-013 and the decision number is D.11-04-031. PG&E's gas distribution costs are litigated as part of the GRC.

Hi Brian,

I forget, what do you call your application for gas transmission and distribution costs? The one that's similar to a GRC. PG&E's regular GRC only covers electricity. I wanted to put that case in my OIR. Do you also have the application number for the last one?

Thanks,
