Subject: RE: Oral Argument Procedural Ask

Pursuant to Rule 13.4 of the Commission's Rules of Practice and Procedure, respondents open and close. As regards this phase of the proceeding, I would say that PG&E is more like a respondent than an applicant, as PG&E is not the moving party and is not seeking the relief proposed. Either way, though, PG&E would open and close. I will set a more detailed schedule by ruling in the next few days.

Mike - can we have Tony and Nick go first procedurally and then have a limited time for rebuttal since we are the applicant ?
