SUSTAINABLE ENERGY COALITION

November 12, 2013

In accordance with Rules 8.2, 8.3, and 8.4 of the California' Public Utilities Commission's Rules of Practice and Procedure, the Local Government Sustainable Energy Coalition ("LGSEC") hereby gives notice of the following Ex Parte communication in the above proceeding. On Friday, November 8, 2013, 3:30 – 4:00 p.m., representatives of the LGESC met with Audrey Lee , Advisor to Commission President Peevey Simon. The communication was initiated by Ms. Lee and occurred at the offices of the California Public Utilities Commission ("Commission"). LGSEC participants in the meeting included: Howard Choy, General Manager, Office of Sustainability, Los Angeles County ; and Jody London, Regulatory Consultant to the LGSEC.

The LGSEC discussed opportunities for local governments to integrate demand response in to the portfolio of energy management programs they operate already, and discussed how different models for demand response programs might facilitate participation from local governments. No written documents were provided.

Subject: Executive and SubProgram Summaries of the BayREN and SoCalREN

Rahmon:

Per our discussion, please find a full set of the Executive Summaries and Sub-Program comparative summaries for both the Bay Regional Energy Network and the Southern California Regional Energy Network. These documents and the full Program detail were filed originally with the respective Regional Energy Networks on July 14, 2012.

Howard Choy and I would again like to thank you for your time during this busy schedule, as well as your meaningful insight, and look forward to continued work with the Commission to identify and realize our shared energy efficiency and energy-equity goals.

Cordially,

Demetra J. McBride
