Subject: R1203014 ORA Opening Brief on Track 4 Issues - part 1

Dear Parties, we received bounce back emails from some parties who could not accept ORA's Track 4 Opening Brief and Attachments due to the file size. In order to avoid the need for parties to sign up for the FTP service, we are instead reserving the brief and attachments separately. These are identical to what was served yesterday in a single email. We apologize if you receive duplicates, but we want to make sure all parties receive the brief plus attachments.

Thank you.

Margie
