Subject: RE: Risk-Based Decision Making

Hi,

I would like Dec 6th, because Dec 11th is my group's holiday party at my house. I will also invite Rich and Liza and maybe a few others that Liza prefers.

Marzia and Carol

It was great meeting with you yesterday to discuss improvements to the rate case plan. As we discussed, PG&E would like to provide a demo/presentation of our risk program from start to finish: identifying, assessing, ranking and documenting risks; building mitigation plans, and from there building a fully resourced investment plan. We have a couple of time slots that our key folks can make work – December 11 at 2:00 (first choice) and December 6 at 1:00 (second choice). We would like to host the meeting at our offices here at 77 Beale. It would be great if others from the Commission could join us – I think you mentioned Richard, Liza or someone from her team also perhaps?

Please let me know whether you can make one of these days work.

Thanks,

Shelly
