AGENDA:

(Please see note below from Dina Mackin, CPUC)

To DAWG ES PUP:

On Tuesday December 3, we will hold a telephone conference to discuss the Order Instituting Rulemaking R.13-11-005 on EE Portfolio Issues. The rulemaking establishes a preliminary timeline for the proceeding, which will adopt the 2013 Potential and Goals Study in Phase I.

To do so, the judge will issue a ruling for a public release of the Draft Potential and Goals Study, requesting public comment. **This is the same draft that DAWG reviewed in July; it has not been updated to reflect DAWG stakeholder comments.** The Commission has decided that comments on the study should be formally vetted on record. Your comments will be requested in response to the ruling so please submit with any additional issues that have arisen. We can further discuss in the December 3 DAWG meeting.

Thanks,

Dina
