Wanted to make sure this didn't fall through the cracks today. I'll get you our release asap Monday; it will cover the recent ntsb acknowledgement that we've completed two more recommendations, and the Shori report.

Have a good weekend.
Laura

Brian

Just tried to reach you to check in before Monday's hearings (OSC and Hill). Our communications folks are planning to put out something Monday morning about yesterday's SED investigation results for Line 147, and it is likely that Papia Gambelin will want to reference it in her remarks at the Hill hearing.

Do you plan to talk about it on Monday at the hearing?

It's obviously going to be a busy day.

Thanks

Laura
