Yeah, I can't believe how fast the time went yesterday. And I got NOTHING else done afterwards because I just didn't feel like working! Thanks for the time. Funny, I also talked to my sister on the phone last night for a long long time. Good day!

Julie

I think I know what it means when I feel like I've had a really good therapy session after time with you both. Do you know how rare this is, for me at least? The safety of being able to say ANYthing to people who instantly get it?

I just got off a long call with my LA sister and felt like I had the energy for it because of our lunch today. I even quoted Terrie ...

Anyway, before the clock strikes 12 ... Oops, didn't make that! I just wanted to say thanks.

Love
Laura
