Subject: RE: Change in plans re PAS 55

Hi Laura; sorry I've been in social all week and got back after midnight. Sure let's reschedule for Bishop in Dec. I'll check my calendar and see if the new date works otherwise I'll propose a few other.

Ken – just resending this to make sure you got it. You may be travelling this week. I have had some difficulty getting emails through to SED so thought I'd double check.

Thanks

Laura

How would you like an hour back next Monday??!

Javid has some dramatic scheduling conflicts (involving London!) and so we need to reschedule the whole PAS 55 update.

Perhaps this is fortuitous. I really think this is going to be of interest to you and your team, and I think it deserves a somewhat more leisurely discussion.

So I am proposing that we move it to January and have it in Bishop Ranch, and allow for at least 2 hours so that Javid can go over the results of the Lloyd's assessment as well as our update.

Are you ok with this?

If so, do you want to give us a couple dates in January so we could get it on the calendar far in advance?

Thanks Ken, and sorry for the reschedule. But I know you have a very full plate.

Okay let's do it. I prefer Bishop Ranch but need to be in SF that day so I'll schedule the breezeway. See you then,

Ken

I'm fine with the breezeway! Or you could come here?

Or even Bishop Ranch?

What is easiest for you?

Hi Laura – Unfortunately our only meeting room is completely booked that day, unless you want to try the breezeway.

The 25th would be best. I am headed out on an early flight to Texas on the 26th.

ANY time on the 25th can work for us.

Let me know your preference, and thanks Ken.

Hi Laura – Yes we definitely spoke about it – I may have dropped the ball on getting back to you. Does the 25th or 26th of November work for you?

Ken

For the life of me, I thought we had scheduled a meeting with Javid Khan (from PG&E) to give you an update of where we are on PAS 55 in advance of the upcoming Lloyd's visit the first week in December.

But I don't find it in my emails or on my calendar!

Did we even talk about this?

I think it would be good to have an hour or so with you and whomever of your team you would like, but it would need to happen in the next two weeks – and there's that whole Thanksgiving thing.

Do you have any time?

Thanks

Laura
