Laura,	
	a for the invite. I won't be able to make it, but Jane can definitely call me if there is a et my opinion on something.

## Liza

Jane has arranged to talk with a team at Livermore Labs on Monday afternoon as part of our investigation to find the right independent expert assistance.

Would you have any interest in participating in that meeting? Jane will head out to Livermore for that; I assume there might be an opportunity for a phone conversation as well.

Just thought we'd check and let you know you're welcome.
