Subject: RE: winter gas planning?

How about Monday, Dec 2 and 2:00?

Mel Christopher, Redacted and me. We'll come to you unless you would like to come out to Bishop Ranch (San Ramon) and see the new Gas Control center?

It's impressive.

Let me know and thanks.

Laura

Hi Laura, thanks for the offer. At this point, any time on Monday Dec. 2nd or Tuesday Dec. 3rd would work for us.

Richard

Richard and Eugene –

I can hardly believe it's October 28. I have been meaning to schedule our annual “winter planning assessment” discussion with you. Things have been a little busy, as you know.

But I think we should do it as soon as your schedules allow. I hope you'll agree.

If so, give me a couple dates when you have an hour and we'll get it set.

Thanks!

Laura
