FYI. I love that you kindly assured her, as that is one of the many things you are so good at.

I really believe she would be good at the Commission!

Good afternoon Laura,

I hope you are doing well. I wanted to thank you for encouraging me to take the CPUC exam again. I received the results of the exam I took a few weeks ago and I'm in the 4th rank. Although I'm not in the top three, I managed to bump into Paul while getting coffee prior to my exam and he kindly assured me that I can potentially get somewhere despite being in the 4th rank.

The job hunt is still frustrating. I recently applied to a position with the SF Superior Court and was also referred to an 1822 Administrative Analyst position with the Port of SF in October. At this point, I'm patient and I know things will have to work out eventually.

Have a wonderful weekend!

Best,

[Reda
