Laura,

The best date and time for ORA is Tuesday Dec. 10 anytime in the afternoon – say 1 -4. We are also available on Dec. 11 in the afternoon 1-4. Thanks

Thanks Mark. We'll allow an extra week or so for response so as not to interfere with the holidays. We just need to get it out the door!

You can't hold it until after the 1st of the year? Let me check those dates with Nat and Pearlle and get back to you.

Mark

We're going to file before the end of the year and I think we should come over and give you a high level preview. Perhaps you, Nat, Pearlle? Or whomever you think is best.

It will be painless (at this stage at least!). Can you carve out an hour in December? Perhaps Dec 6, 9 or 10? Or any date that works for you.

Thanks

Laura
