Michael

Our pleasure – it was great working with you all to get this drafted and OKed so quickly.

Thanks for your assistance and that of your excellent team.

We will see if we can get it filed today, if possible.

Warmly

Ok. I managed to catch our Director, and he's signed off on the joint motion. So ORA is good to go. Thanks for the quick work, everyone.

Gail-

We made edits on the earlier version and did have some issues on formatting the signature blocks. I've just attached the redline, because I realize you may be using the more recently formatted version. ORA was not comfortable with a couple of sentences, but, otherwise, we think this is a good motion and support filing it when you are ready.
