Subject: FW: BART Board approves additional 365 cars for Fleet of the Future
“bombardier transportation” ? What a silly name.

Up there with brand names that didn't make it such as “blowout tires.” Or “crooked construction.”

Subject: BART Board approves additional 365 cars for Fleet of the Future

BART's Board of Directors today took the next step toward completely replacing the agency's oldest-in-the-nation fleet of rail cars by approving a contract for an additional 365 state-of-the-art cars. 410 cars are already on order thanks to a May 2012 Board decision that approved the initial order and to work with Bombardier Transportation to create the Fleet of the Future.
