Hi Brian,

I'm sorry for the delay. I'm still trying to work out schedules with folks that will be coming in from out of town. I will send you a couple of options for next week tomorrow.

Thanks,

Meredith

Thanks so much. I just canceled travel next week, so I am wide open. Feel free to propose a couple of times, and most likely one will work.

Thanks again

Hi Brian,

I think it would be helpful to have our vegetation management lead at the meeting as well. I will check with him on dates. Are there dates next week that work better for you?

Thanks,

Meredith

Subject: Vegetation Management Program

Hi Meredith:

My office received a letter from former State Senator Michael Machado regarding the Vegetation Management Program, specifically in regards to almond trees the PG&E customer planted near service lines in San Joaquin County. Are you, or someone else from your staff, able to meet with me to go over PG&E's decision to ask this customer to remove his trees?

Thank you and kind regards,

Brian Stevens
