Subject: Are you Available for dinner or coffee on Nov. 7?

Tom and Brian, Are you available for dinner or coffee on Nov. 7 after the CPUC en banc? I have a meeting after the en banc and will be available after 5:00 pm. [Redacted], a woman-owned CPUC Clearinghouse certified energy solutions business, GoGreen, and CEO of LED manufacturer and designer Polybrite, is visiting from Chicago and she'll be at the en banc. [Redacted] is also presenting at the CPUC Living Pilot Symposium on Wednesday about her MOU with SDG&E to install battery back-up in LED streetlights to create dispatchable Demand Response. She also manufactures LED flat panels, tubes, and bulbs, and is working with a storage partner [Redacted] of Exergonix based in Kansas City. [Redacted] served on the FCC's Small Business Advisory Committee when I was the Director of the FCC's Business Opportunities Office in the mid-late-1990's [Redacted] and her dad, [Redacted] founded Polybrite and began LED manufacturing 18 years ago, and founded MCI, In-Flight Phone, the FTD Floral Network, and other businesses. [Redacted] is working with [Redacted] on GoGreen and is based in and hails from Sacramento. I've also known [Redacted] since the mid-90's. [Redacted] is an engineer, Stanford grad, and former White House fellow. Please let me know if you have time for coffee or dinner on

Thursday evening after the en banc. We'll pick a convenient location. Thanks, Cathy
