Subject: RE: Joint Motion to Withdraw Application PTR -ORA Friday edits

Ok. I managed to catch our Director, and he's signed off on the joint motion. So ORA is good to go. Thanks for the quick work, everyone.

Subject: Joint Motion to Withdraw Application PTR\_-ORA Friday edits

## Gail-

We made edits on the earlier version and did have some issues on formatting the signature blocks. I've just attached the redline, because I realize you may be using the more recently formatted version. ORA was not comfortable with a couple of sentences, but, otherwise, we think this is a good motion and support filing it when you are ready.
