Subject: Joint Motion to Withdraw Application PTR_-ORA Friday edits

Greg and Michael,

Here is the final Joint Motion that we are going to file shortly. Again, many thanks to you and your whole ORA team for your prompt assistance in editing and getting the necessary approvals with such quick turnarounds! We specifically want to express our gratitude to Greg Heiden and Bob Levin for their prompt and expert help.

We will send Greg a blank signature page later, so that we can eventually get his wet signature for our files as required by the rules. But I don't think there needs to be any huge rush for that given that we can E-file based on your and Mike Campbell's emails saying ORA has OKed this Joint Motion for filing.

It's so great that we seem to have managed to get this Motion drafted and filed this week. Have a great weekend and thanks again for your solution-oriented help in this unusual situation, under such great time pressure to get it done.

Warmly,

Gail

Ok. I managed to catch our Director, and he's signed off on the joint motion. So ORA is good to go. Thanks for the quick work, everyone.

Gail-

We made edits on the earlier version and did have some issues on formatting the signature blocks. I've just attached the redline, because I realize you may be using the more recently formatted version. ORA was not comfortable with a couple of sentences, but, otherwise, we think this is a good motion and support filing it when you are ready.
