Lets have our plan be to retire in 15 years and work in the service industry! If not a chipotle, maybe a subway?  
At subway, we'd always smell like fresh bread!

...Or maybe be BART workers? wOOt!

I saw a great 'look poor' disguise. A chipotle worker's cap. Black with chipotle emroidered small in white. Makes you look like you'd look up to a busboy, and with my skin tone, I'd expect to get a chance to use my spanish!
