Mr. Fugere,

Attached and below are the contact information that you requested. Eric Back's title is Director, Compliance & Risk Management, Electric Operations. Jay reports directly to Eric and Eric reports to Patrick Hogan. Patrick reports to Geisha Williams, EVP Electric Operations. He just started a week or so ago.

I know the end of the year is probably very busy for you but we could schedule time for you to meet with them early next year.

Thanks,

Meredith

Subject: Question

Ms. Allen:

Last, time we met you mentioned that Mr. Singh has (or was going to have) a new boss. I was curious if I could get his contact information as well as the contact information for the person that replace Mr. Martinez. I am just updating my contact list, before the year end, so no rush.

Thank you for your time and attention.

Sincerely,

Raymond G. Fugere, P.E.
