Hi, Paul.

You might be aware that we will soon achieve a major milestone for the Land Conservation Commitment. We are planning to close escrow on the donation of Kennedy Meadows to Tuolumne County (with a concurrent donation of the conservation Easement to the Mother Lode Land Trust) on November 20, 2013.

I was thinking it would be a great opportunity (for you, Allene, and I) to provide an update at a Commission meeting sometime following the close of escrow in celebration of this milestone.

What do you think?
