Hi Eugene,

This email follows my voicemail today regarding proposed CPUC participants for the 11/5/13 meeting at 1p to discuss the Stanpac SP-7 Pipeline. We'd like to know who from CPUC is planning to attend, to ensure we have the correct representation by Chevron and PG&E.

At this time, the proposed Chevron attendees are as follows:

* Karen Boven (Chevron Richmond Refinery, Project Manager)

- * Troy Haugeburg (Chevron Pipeline, by phone)
- * Mike Stafford (Chevron Pipeline, HES team lead, in person)
- * Nora Sheriff (Alcatraz and Kahl, Chevron Pipeline outside counsel, in person)
- * Joe Lorenz (Chevron Richmond, Regulatory Affairs, in person)
- * Bharat Chavda (Chevron Richmond, Strategic Planning Manager - location uncertain)
- * Mickie Jensen (Connexsys Engineering PM/Engineer on behalf of Chevron, in person)

From PG&E, Erik Jacobson (Regulatory Relations) is working to confirm their participants. Erik is copied on this message.

In addition, I have prepared a presentation, however, it contains a graphic that is Chevron confidential information regarding our gas supply system to the refinery. If you agree, I propose to bring hardcopies to the meeting on Tuesday and will project the Powerpoint presentation as well.

Thanks,

Karen Boven, P.G.
