Erik, it's 7535. There should be a receptionist near the elevators that will escort you in.

What room number should we go to on the 7th floor?

[Redacted] & Erik,

I think you know this, but just want to make sure. The meeting is at the State Building at 455 Golden Gate Ave (across from the Federal Bldg) on the 7th floor. Go through security and take the elevator to the 7th floor. This is the Energy Division's temporary home while they are refurbishing the other building.
