Subject: [Redac]PP

Steve,

In follow up to our discussion this morning, Rick Tse of the CPUC contacted me this morning to confirm their approval of Cal OSHA's request to collect evidence at the [Reda] PP site located outside the structure area.

At your convenience, please contact me so that we can discuss scheduling for this event and in order for me to provide notice to all interested parties.

Thanks and please call me if you have any questions.
