Happy to meet. Doris can set it up and we should have some combination of the cc:ed group join.

**Subject:** CAISO Performance Audit Notice

Ed,

Do you have a few minutes to discuss the attached notice you received from the CAISO about a failure of several PG&E hydro plants to pass an ancillary services performance audit? I wanted to provide you some background on this audit issue and describe what we are doing to address the situation. If you have delegated this matter to someone on your staff, I would be happy to follow-up with them as well.

Erik
