Re: PG&E Customer Disconnection Moratorium

Dear President Peevey:

Consistent with PG&E's practice in recent years, it will voluntarily commence a moratorium on service disconnections starting December 23, 2013 through January 3, 2014. This suspension will apply to both residential and commercial customers.

While service disconnections will be suspended, PG&E will continue all other collection process and notices. Our normal collection and disconnection procedures will resume on January 6, 2014.

Should you have any questions regarding PG&E's moratorium on service disconnections, please feel free to contact me.

Sincerely,

A handwritten signature in black ink that reads "Brian Cherry / Aj".
