Subject: RE: Attendees for 11/5/13 meeting to discuss Stanpac SP-7 Pipeline, with PG&E and Chevron

Hi Eugene,

I will call you, however, I believe the original agenda still stands. My role is simply to present the SP-7 pipeline information. [Redacted] would speak to any of your Stanpac questions based on the information he shared in his prior emails (attached). Yesterday, [Redact] confirmed he could not locate PG&E's copies of the attachments to Advice Letter #2, which you had requested. I'll request Chevron to search its records as well.

Agenda proposed for 11/5:

1. Stanpac overview (requested by CPUC)
 - a. pipeline system
 - b. corporate governance
 - c. management and operating agreement
2. Stanpac-7 Pipeline Project overview
 - a. Purpose/need
 - b. Scope
 - c. Permitting and CEQA
 - d. ROW / land issues
 - e. Project execution / schedule

Thanks,

Redacted

Hi Redacted

One other thing. You sent a tentative agenda out with your meeting appointment. Could you give me a call to finalize it?

Eugene

Hi Eugene,

I believe [Redacted] is considered a representative of Stanpac, and will defer to him or Erik to confirm the PG&E Stanpac board members names.

Chevron's Stanpac board member is [Redacted], who is based out of Houston. He works on behalf of Chevron Pipeline as the Manager, Non-Operated Joint Ventures.

Yes, I will provide a portable projector for the presentation, and bring hardcopies as well.

Thanks,

[Redacted]

Hi [Redacted]

These are the Commission representatives that will attend the meeting:

Peter Allen: Legal Division, Attorney

Mary Jo Borak: Energy Division, Supervisor CEQA Section

Sunil Shori: Safety & Enforcement Division, Gas Safety Engineer

Richard Myers: Energy Division, Supervisor Natural Gas Section

Greg Reisinger: Energy Division, Analyst Natural Gas Section

Eugene Cadenasso: Energy Division, Analyst Natural Gas Section

Just a couple of other things in connection with the meeting:

With regard to the list you provided, is there a representative of StanPac that will attend?

Could you provide the names of the StanPac directors?

I recall that you will be able to bring the equipment to show the PowerPoint presentation – is that correct?

Looking forward to meeting you.

Eugene

Subject: Attendees for 11/5/13 meeting to discuss Stanpac SP-7 Pipeline, with PG&E and Chevron

Hi Eugene,

This email follows my voicemail today regarding proposed CPUC participants for the 11/5/13 meeting at 1p to discuss the Stanpac SP-7 Pipeline. We'd like to know who from CPUC is planning to attend, to ensure we have the correct representation by Chevron and PG&E.

At this time, the proposed Chevron attendees are as follows:

- [Redacted] (Chevron Richmond Refinery, Project Manager)
- [Redacted] (Chevron Pipeline, by phone)
- [Redacted] (Chevron Pipeline, HES team lead, in person)
- [Redacted] (Alcatraz and Kahl, Chevron Pipeline outside counsel, in person)
- [Redacted] (Chevron Richmond, Regulatory Affairs, in person)
- [Redacted] (Chevron Richmond, Strategic Planning Manager - location uncertain)
- [Redacted] (Connexsys Engineering PM/Engineer on behalf of Chevron, in person)

From PG&E, Erik Jacobson (Regulatory Relations) is working to confirm their participants. Erik is copied on this message.

In addition, I have prepared a presentation, however, it contains a graphic that is [Redacted] confidential information regarding our gas supply system to the refinery. If you agree, I

propose to bring hardcopies to the meeting on Tuesday and will project the Powerpoint presentation as well.

Thanks,

Redacted
