Subject: Contact Information -- Post Retirement

After 42 years in the energy industry I've decided to put up the "Gone Sailing" sign, effective December 1, 2013. I've found that I cannot be successful in implementing my "Personal 5-Year Plan" unless I "STOP WORKING" and begin to enjoy the next phase of life.

If you want or need to contact me in the future, please feel free to do so at:

I want to thank each and every one of you on this list for enriching my life with the contacts we've had over the years. Fair Winds and Following Seas!.....**Mike**
