Subject: Decision numbers

Hi Charlyn –

I understand from Brian that you asked for case numbers for PSEP and for Local Transmission cost allocation method.

The PSEP decision is D 12-12-030 (part of Rulemaking 11-02-019).

The current Local Transmission cost allocation method (“Cold-Year Peak-Month” or CYPM) was established for all gas IOUs by Decision 92-12-058.

Gas Accord V (the last rate case) is A.09-09-013.

Let me know if you need anything further.

Thanks.

Regards,

Laura
