Subject: RE: R.12-11-005 DG-CSI-OIR: Request for Extension for Comments on ACR

(Email 3 of 3 due to large recipient list)

Dear ALJ MacDonald,

On Wednesday, November 27, the Commission issued the Assigned Commissioner's Ruling Regarding the Establishment of a Net Energy Metering (NEM) Transition Period (ACR) in Rulemaking

(R.) 12-11-005. It has come to my attention that the ACR is available on the docket card, but it has not yet been served on the proceeding service list. The ACR required parties to

submit opening comments by this Friday, December 6 and
reply comments by Monday, December 16.

The NEM transition period is a matter of great importance. While The Vote Solar Initiative commends the Assigned Commissioner for moving quickly to seek comment on the topic, it is important to ensure adequate time for thoughtful responses from all parties who wish to comment. To that end we respectfully request an extension of one week on the comment period laid out in the ACR. If Vote Solar's request is granted, opening comments will be due on Friday, December 13 and reply comments will be due on Monday, December 23.

Thank you,

Susannah Churchill
