Subject: Comr Peterman Gas Operations Visit

Hi Julie,

FYI – Scott called me on this earlier and provided me a date for us to look into for possible tour date - January 21 (a.m.) .

As soon as I firm the date with San Ramon, I'll confirm it with Scott.

Thank you.

Brian,

Would I have Scott in our office call Reda to work on scheduling this?

Carla and Julie – I'd like to invite you to tour our Gas Transmission and Distribution Operations Center in San Ramon at your convenience. We are doing some state-of-the-art work over there and welcome your visit. Commissioner Florio and his staff visited yesterday and you might ask them about their experience. Figure 2 hours at the maximum for the tour.
