Copy her and let her reach out. I told her how fabulous you were and that Elon Musk was doing your bidding.

Sure. Do you want me to email her or do you want to copy me on an email to her?

Marzia – I'm forwarding the resume of Sydney Baloue, who I met at a Greenlining graduation event a year ago. Sydney has done internships in Germany and here in the U.S. Would you be willing to chat with her over coffee? Her skills and background might be a fit for your organization.
