Subject: R.11-05-005 (RPS) Revision to schedule re: procurement expenditure limitation

All,

The schedule for filing and service of the revised staff proposal and any alternative proposals for an RPS procurement expenditure limitation (PEL) is revised as follows:

Revised staff proposal mailed with post-workshop ALJ ruling	February 7, 2014
All alternative proposals filed and served	February 7, 2014
Comments on revised staff proposal and all alternative proposals filed and served	March 7, 2014
Reply comments on revised staff proposal and all alternative proposals filed and served	March 26, 2014

Please note that the revised staff proposals and all alternative proposals must be filed and served simultaneously, not sequentially as provided in the schedule set in the ALJ Ruling of September 9, 2013.

Any party considering filing an alternative PEL proposal (whether a revision of a prior alternative proposal or a new alternative proposal) is encouraged to contact Sean Simon of the Commission's Energy Division (sean.simon@cpuc.ca.gov) to obtain information about the presentation of information in and formatting of alternative proposals.

A formal ruling will follow. This e-mail is being sent to the service list in small groups. Any replies must be sent to the entire service list.

Please note that, due to a temporary administrative error, the Docket Card for this proceeding on the Commission's web site has been showing that this proceeding is Closed. The proceeding is and will remain open; please disregard the Closed notation.
