Please include me on any emails on scheduling, We will need to check with Comr. Ferron before scheduling a specific date.

My recommendation is that the meeting occur AFTER the period for applications for rehearings has passed. If any applications for rehearing are filed, that will raise ex parte issues that would need to be considered.

Thanks,  
Charlotte

Subject: Schedule meeting with Earley and Ferron

Laura (and Brian)

Following up on our conversation from yesterday, Commissioner Ferron would like to do a sit down with Tony Earley on the findings of the internal audit report. He was also interested in meeting with a board member if possible.

Juliane is out of the office, but Josie can help coordinate. I've CC'd her to help figure out calendar.

Thanks

Michael
