Re: PG&E's Request for Extension of Time to Comply with Ordering Paragraph 3 of  
Decision 13-04-020

Dear Mr. Clanon:

Pursuant to Rule 16.6 of the Commission's Rules of Practice and Procedure, Pacific Gas and Electric Company (PG&E) requests an extension of time to comply with Ordering Paragraph (OP) 3 of Commission Decision (D.) 13-04-020. Specifically, PG&E requests an extension of 30 days after the Commission issues a final decision on PG&E's 2014 General Rate Case (GRC).

OP 3 of D.13-04-020 requires PG&E to file a Tier 1 Advice Letter on or before December 31 of each year to escalate the Direct Access and Community Choice Aggregation Service fees, other than the Bill-Ready Billing Service Fee, to reflect the applicable labor escalation rates adopted in PG&E's 2011 and 2014 GRC decisions. The resulting updated fees will be effective on January 1 following the submission of the advice letter.

The Commission has not yet issued a decision on PG&E's 2014 GRC. Without a decision adopting 2014 labor escalation rates, PG&E is unable to file its Tier 1 Advice Letter before December 31, 2013.

PG&E respectfully requests that it be allowed an extension of time to file the required Tier 1 Advice Letter to no later than 30 days after the Commission issues a decision on PG&E's 2014 GRC. PG&E requests the updated fees to be effective the first day of the month following the submittal of the advice letter.

PG&E has conferred and obtained the concurrence of all parties to A.11-12-009 regarding this requested extension, and will inform the parties if the extension is granted.
