**MOTION OF EFFICIENCY FIRST CALIFORNIA  
REQUESTING PARTY STATUS**

**I. INTRODUCTION**

Efficiency First California respectfully submits this motion requesting party status in ulemakng (.) 12-06-013 in accordance with rule 1.4 of the California Public Utilities Commission's ("Commission") rules of Practice and Procedure. Efficiency First California has a direct interest in the outcome of this proceeding, and as a result seeks to actively participate.

**II. EFFICIENCY FIRST CALIFORNIA'S INTEREST IN THIS PROCEEDING**

Efficiency First California is a 501(C)(6) not-for-profit trade association that unites the Home Performance workforce, building product manufacturers and related businesses and organizations. Efficiency First California represents its members in public policy discussions to promote the benefits of efficiency retrofitting and to help the industry grow to meet unprecedented demand for quality residential energy improvements. Efficiency First California seeks party status because changes to residential electricity rates have direct economic impacts on the current and prospective customers of its member companies and may help or hinder the companies' ability to market their services and products. Efficiency First California's licensed contractor membership relies upon the organization's involvement in regulatory proceedings that may affect their businesses.

If granted party status, Efficiency First California wishes to offer comment in this proceeding regarding optimal residential rate design and interim rate change applications from

ulties. Efficiency First California has a unique interest in this proceeding that cannot be fully represented by any other party.

### **III. NOTICE**

Service of notices, orders and other correspondence in this proceeding should be directed to Efficiency First California at the address set forth below:

If granted party status in this proceeding, Efficiency First California requests email-only service.

### **IV. CONCLUSION**

Efficiency First California's participation in this proceeding will not prejudice any party, delay the Schedule, or broaden the scope of the issues in the proceeding. For the reasons stated above, Efficiency First California respectfully requests that the Commission grant this Motion for Party Status filing.
