Re: Rulemaking 09-08-009 – Request for Extension

Dear Mr. Cherry:

This letter responds to your November 26, 2013 letter for an extension of time to comply with the December 31, 2013 deadline for filing a Load Research Report in

Decision 13-06-014. This request for an extension was submitted on behalf of Southern California Edison Company (SCE), San Diego Gas & Electric Company (SDG&E), and Pacific Gas and Electric Company (PG&E) (collectively, "IOUs") and was made pursuant to Rule 16.6 of the Commission's Rules of Practice and Procedure.

Decision 13-06-014 requires the IOUs to submit a revised Load Research Report to the Commission by December 31, 2013. SCE, SDG&E and PG&E are jointly requesting a one month extension.

The Commission received no opposition to this request.

The request is granted and this letter provides for an extension until January 31, 2014.

PG&E must promptly inform all of Rulemaking (R.) 09-08-009 and
