Subject: Revision of the CARE Income-Eligibility Guideline Levels and Application Forms to Comply with Assembly Bill (AB) 327

GSWC, doing business as Bear Valley Electric Service (BVES), hereby submits for filing with the California Public Utilities Commission (Commission) revisions to its Schedule No. D-LI, California Alternate Rates for Energy (CARE) Program, and the associated tariff forms, applicable throughout its service territory.

Purpose

The purpose of this filing is to comply with AB 327 which revises Section 739.1 (a) of the Public Utilities (PU) Code to require that the CARE income-eligibility guideline level for one-person households be based on the two-person household guideline level.

Background

The BVES CARE Program provides a 20 percent discount to the utility bill for customers that meet program eligibility requirements.

On March 15, 2012, the Energy Division (ED) issued its annual notice to update the income-eligibility guidelines, effective June 1, 2012 - May 31, 2013, in compliance with Section 739.1 (b) (1) of the PU Code. The notice also declared that "income limits for households with 1-2 persons are now correctly listed separately and will no longer be consolidated.

GSWC most recently adjusted its BVES CARE Programs' income-eligibility levels pursuant to updated income guidelines from the ED to be effective from June 1, 2013 through May 31, 2014. The notification letter, which continued to list 1 and 2 member households separately, directed the energy utilities to file revised tariffs with the ED reflecting the new income levels by May 14, 2013. GSWC submitted Advice Letter 280-E on April 23, 2013. These represent the currently effective CARE eligibility guidelines and associated forms.

On October 7, 2013, AB 327 was approved by the Governor, in part, amending Section 739.1 of the PU Code. AB 327 becomes effective January 1, 2014 and specifically revises PU Code Section 739.1 (a) as follows:

*For one-person households, program eligibility shall be based on two-person household guideline levels.*²

In order to comply with AB 327 by its effective date, GSWC provides the necessary revisions to its BVES CARE Program eligibility requirements and forms, such that the

income-eligibility guidelines for one-person households will henceforth be based on two-person household guideline levels.

Tariff Revisions

Pursuant to the revised Section 739.1 (a), GSWC submits the updated Schedule No. D-LI and CARE application instructions and forms.

Tier Designation

This advice letter is being submitted with a Tier 1 designation.

Effective Date

It is requested that this advice letter become effective on January 1, 2014.
