Brian,

Thank you very much. Trust you had a good meeting with Terrence. I will debrief with him at a later point and will also let you know if I have any feedback on the documents once I've had a chance to read them in depth.

Best,

Liza

Eliza,

Due to the size of the L-114 Report, these materials did not go through. I am sending all materials for today, less the L-114 Report. I will provide you a flash drive with the file on it, along with a hardcopy.

Thank you,
