Well just good to know now. This makes sense and I believe the outreach to PHMSA was something that Jane had anticipated. We will let you know what we do, and when.

Thanks

Yes.... Right now.

We talked to PHMSA and they advised us to have you ask them directly. Sorry it's taken so long and now we are going to tell you to go to PHMSA – I realize that this is really inconvenient and delayed things for you. PHMSA gave us a person to contact on this, but without contact information... Mike was just chasing it down and I was going to forward as soon as I got it from him. You can follow-up with Mike directly as well....

Sorry about that....

Meant to ask, any estimate on when we might hear something back on this?

Thanks
