So sorry for this sad trip. But it's great that your friend will have your physical presence and emotional support.

See you next year.

I regret that I am going to have to postpone this meeting till after Jan 5th. I am leaving Tuesday for the east coast to take care of one of my former officers who is terminally ill has only days left. Since I don't know how long I will be gone and I was planning Christmas leave starting on the 20th, I do not plan on being back in San Francisco until 5 Jan 2014.

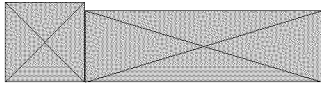

Happy Holidays to you and your families,

BG H
