During construction of Café Sprig from January to March 2014, we will be providing temporary kiosk services via "Taste of Sprig" in the 77 Beale Street lobby. Once completed in April 2014, you can expect a full range of beverage, breakfast and lunch services.

able to meet early with colleagues over quality breakfast sandwiches, fresh bakery goods and Weaver’s Coffee and Tea. Set up a lunch appointment or hang out with your teammates and enjoy sandwiches, fresh soups or made-to-order salads.
