Billy,

Thank you. I'm happy to meet with you, but the main person who needs to be in this discussion is Ray. I think he is planning to be in San Francisco next week, so meeting next week here might work. Please coordinate with him and I'll do my best to make myself available.

Best.

Liza

Subject: Safety OIR PD meeting
Liza,
As I mentioned yesterday, the utilities would appreciate the opportunity to share our concerns with you regarding the pending PD in the Safety OIR. We are trying to set up other meetings at the Commission – hopefully next week – and it would be great if we could time a meeting with SED to minimize travel for folks. We'll let you know when we have a better idea of potential dates. Thanks.
