Energy Division staff requests information from Pacific Gas and Electric Company (PG&E) regarding data cited and used in the preparation of the report, *California Climate Dividend Public Outreach Program Strategic Road Map* (the Report), prepared by Targetbase under contract with PG&E.

Please respond to this request by Monday, December 23, 2013. Any questions related to this request should be directed to Jason Houck at 415.703.1223, jason.houck@cpuc.ca.gov.

Request 1

Please provide a copy of the report cited as follows in Section 9, Appendix, page 2, of the Report: *JD Franz Research, Inc., "Climate Dividend Quantitative Research," May 2-8, 2013*. Energy Division anticipates that this report includes the raw quantitative survey results used to generate Targetbase's conclusions.

Request 2

Please provide a copy of the report cited as follows in Section 9, Appendix, page 3, of the Report: *Paul Peterson, King Brown Partners, "Climate Dividend Communications: Summary of Qualitative Research," June 2013*. Energy Division anticipates that this report includes the qualitative research guide, content and screening methods used in the qualitative research performed by Targetbase.

Request 3

Please provide all of the focus group recordings generated and/or used by Targetbase as part of its research to prepare this Report. Please provide these recordings in digital format if possible.
