Sorry to hear your vacation glow wore off. So soon! At least you had the week.

Friday the 20th lunch may have just opened up. Will you hold it for me and I will confirm tomorrow?

Is lunch on Friday the 20<sup>th</sup> possible?

I can't do Wednesday because of a fun fun fun EE rolling cycle meeting with Jan Berman and others. After work isn't going to be possible because of how far behind I am for festivities on the 25<sup>th</sup>, and my mom's birthday is this Saturday. The bliss of last week is long gone...

Hope things ok for you, and the gas fire in Oakland today didn't singe you at all.

Hi! Sorry, in the intervening time I had a lunch meeting come up on Tuesday. Does Wednesday not work? If not, a drink?

I thought lunch Tuesday was free? Was it blocked for me by any chance?
